

# Hire rates

Our hire rates are calculated with a base rate and a daily rate. This is to minimise the expense of hiring, while allowing for trips from 1 night all the way up to a month! With years of experience in the hire industry, and many more in the outdoors, we'll look after you. You can rest assured that you will receive quality equipment in perfect operation!

If you're looking for a specific item (brand, model etc.) to test out before you purchase, let us know. We'll check if we've got it in our hire range, or if we can get it in for you!

If you're looking to purchase equipment, why not give it a go on us? If you like the item and purchase one within 7 days, we'll knock the hire price off the purchase price!

If you'd like your equipment delivered, contact us and leave your address. We'll then provide you with a quote, and collect credit card details upon delivery!

The pricing in this document is subject to change. This document will be updated on our site as quickly as possible.
